Order Granting Motion to File Under Seal

Categories: Waymo

Counsel

By 9:00 am on Monday, May 15, 2017, each party shall submit to me in writing via PDF that party's complete and detailed protocol as quoted below from paragraph 7, page 26 of the May 11, 2017 Order ruling on Plaintiff's motion for provisional relief.

"To that end, the special master shall promptly develop proposed monitoring and verification protocols with the parties' input and then submit the proposed protocols to the Court for approval."

At 9:30 on Monday the parties shall participate in a conference call with the special master (888 759 6039 access code 415 954 4410) to discuss and resolve the final protocol for monitoring and verification by the special master of the requirements in the Court's Order. I anticipate that the final protocol with input from each party shall be submitted to Judge Alsup for his review and alteration or approval on May 15.

Miles Ehrlich, counsel for Anthony Levandowski, will not participate in the Monday morning call but has been put on notice to be available to the extent it is necessary to communicate with him.

David and Arturo

I just spoke with Judge Alsup's chambers. I was informed that Judge Alsup wants me to have a copy of the order that was filed under seal last evening ruling on the motion for preliminary injunction. During our call this morning the parties agreed that I can and should have a copy of this order. Please send me a PDF of the order. Thank you.
